PCS Orders
Service members should review their Permanent Change of Station (PCS) orders to ensure awareness and understanding of all applicable entitlements to include current household goods weight restrictions and allowances, military pay and entitlements, local housing policies, government of Japan pet importation regulations and additional information as may be necessary on a case-by-case basis, immediately upon receipt. In addition, service members should review their PCS orders to ensure details regarding family members are up-to-date and accurate prior to separating from the detaching command. Saving electronic copies of important documents such as PCS orders, Area Clearance/Dependent Entry Approval (DEA) is highly recommended since the member and his/her family will need these documents upon check-in.
Military IDs
Inbound service members should verify that all their documents are up-to-date and all IDs are valid at the time of departure. Name and initials should match all identification. All dependents, regardless of age, must have a passport. Dependents 10 years of age or older must also possess a valid military ID. Failure to provide these documents could result in not being able to board the Patriot Express/AMC flight.

No-fee Passports
Service members can travel to Japan with original orders and military ID; they do not need a No-fee Passport. It is highly recommended, however, that service members obtain a tourist passport, especially if they plan on traveling to any of the other neighboring countries during their tour in Japan.

All FAMILY MEMBERS must have a passport before departing to Okinawa. Family members traveling on PCS orders with their service member should obtain a No-Fee Passport, also known as a Military Dependent’s Official Passport, in addition to a regular tourist passport. Provided below is the required documentation for obtaining a No-fee Passport for your dependents:

Requirements for 16 years of age and older (Initial/1st Time - applicants who have not received or issued any type of U.S. Passport):

- Use the DS-11 Form (must be typed and printed from the online website). Handwritten applications may not be accepted. Visit, www.travel.state.gov to obtain the forms you need.
- One 2x2 recent Color Passport Photo with a white background taken within the last 6 months.
- DD Form 1056
- Copy of the service member’s PCS Orders and Area Clearance/Dependent Entry Approval (DEA).
- Front and Back copy of ID Card (valid stateside driver’s license, state ID, or military ID) on the same page.

For Renewals:

- Use the DS-82 Form. Visit www.travel.state.gov to obtain the forms you need.
- Current/expired passport.
- One 2x2 recent Color Passport Photo with a white background taken within the last 6 months.
- Copy of the service member’s PCS Orders and Area Clearance/Dependent Entry Approval (DEA).
- Front and Back copy of ID Card (valid stateside driver’s license, state ID, or military ID) on the same page.
Requirements for under 16 years old (Initial/renewal):

- Use the DS-11 Form. Handwritten applications may not be accepted. Visit, www.travel.state.gov to obtain the forms you need.
- One 2x2 recent Color Passport Photo with a white background taken within the last 6 months.
- DD Form 1056
- Copy of the service member’s PCS Orders and Area Clearance/Dependent Entry Approval (DEA).
- Front and Back copy of ID Cards of both parents (valid stateside driver’s license, state ID, or Military ID) on the same page.

Please Note: Both of the child’s/children’s parents must be present during the process. If either parent cannot be present, the appearing parent will need to provide a photocopy of the non-applying parent’s ID and the notarized DS-3053 Form - Statement of Consent or the DS-5525 Form - Statement of Exigent/ Special Family Circumstances. The photocopy of the non applying parent’s ID should match the ID used in the notarized form.

Your local IPAC or PSD office will be able to assist you in processing your documentation for obtaining a No-fee Passport. Please contact your local IPAC or PSD office for additional information or assistance.

No-fee passports should not be used for leisure travel when visiting other countries. No-fee passports are intended for official business only (from the United States and back).

The JTR states that family members who are U.S. citizens rate a No-fee Passport. Foreign-born spouses do not rate a No-fee passport until they become a U.S. Citizen. They can travel to Japan with their original passport. If the foreign-born spouse is not a Japanese citizen, they will need to check with the Japanese Embassy/Consulate to find out the entry/visa requirements for the country’s passport they hold.

Non-U.S. citizens should also contact Immigration and Naturalization Services and inquire about their immigration status to ensure a smooth return back to the United States after completion of the service member’s tour in Okinawa. If they have received their Residency/Green Card or permanent visa to stay in the U.S., they should not have any issues returning.
Re-Entry Stamps
Family members are **REQUIRED** to obtain a Multiple Exit/Re-entry stamp on their tourist passport to ensure exit from and re-entry to Japan with ease. The stamp is required for all family members desiring to travel outside of Japan or returning to the United States while under SOFA Status. The Multiple Exit/Re-entry Permit stamp for passports is issued through the Installation Personnel Administrative Center (IPAC) on Okinawa and by the Marine Corps Base Provost Marshall Office (PMO), Customs Section, during normal working hours. Navy personnel may also obtain the Multiple Exit/Re-entry stamp through the Personnel Support Detachment (PSD) located at the Kadena Air Base Station.

A copy of the member’s military orders along with the tourist passport(s) is required to obtain the Multiple Exit/Re-entry Permit stamp at the designated locations.

On an emergency basis, active duty family members can obtain the Multiple Exit/Re-entry Permit stamp on their tourist passport from a customs official at the Kadena Air Base/AMC Terminal prior to departure. Family members are encouraged to obtain their Multiple Exit/Re-entry stamps **within 30 Days** after arriving to Okinawa.

Overseas Suitability Screening (OSS)
Whether accompanied or unaccompanied, upon receipt or **within 30 days** of receiving PCS orders to Okinawa, service members must begin the **Overseas Suitability Screening (OSS)** process. The OSS is also **required for ALL family member(s) accompanying their service member on orders to Okinawa**. Family members should begin this process upon the service member’s receipt of orders or **within 60 days** of the service member receiving PCS orders. This process involves a medical, dental, and educational screening which will identify if the family member(s) has any special needs on these areas and if the U.S. Naval Hospital, Okinawa will have the resources to service these needs during the family’s **3-year mandated tour**.

The service member’s losing command, the Area Suitability/Overseas Screening Coordinator or the nearest Medical Treatment Facility can provide information about the OSS process. The service member and his/her dependents will need to fill out the **NAVMED 1300/1** and the **DD Form 2807/1**. A copy of the required documents/forms to be completed are available through the U.S. Naval Hospital website provided below:

Okinawa Overseas Screening Committee:
DSN: 315-646-7408

Website: [http://www.med.navy.mil/sites/nhoki/SitePages/Services/OSS.aspx](http://www.med.navy.mil/sites/nhoki/SitePages/Services/OSS.aspx)
Once the family member(s) completes the OSS process and is found SUITABLE to come to Okinawa, the service member will need to request the NAVPERS 1300/16 REPORT of SUITABILITY from his detaching command.

**Area Clearance/Dependent Entry Approval for Family Members**

To be granted an Area Clearance/DEA for the dependents, the member must submit the completed OSS paperwork for all dependents, the approved REPORT OF SUITABILITY for OVERSEAS ASSIGNMENT NAVPERS 1300/16 application, and a copy of their PCS orders to the PLA address provided below.

In addition to the OSS, the service member must have sufficient time on their contract to **execute the mandated 36-month accompanied tour requirement**.

ALL family members must have an approved Area Clearance/DEA before departing to Okinawa. The service member should not detach from the losing command until his/her family has received an approved message from MCB Butler.

**Please Note:** The MCB Area Clearance Office is seeing an increase in preparation issues from the detaching commands (i.e. not including necessary attachments/appendices or sending the information to the incorrect PLA address). In addition, recent trends indicate that family members are missing/not included from the service member’s orders, with this error not being caught until arriving on Okinawa. Area Clearance approvals are prepared based on the member’s confirmed dependents in MCTFS. Members are advised to contact their parent command to conduct a dependent audit to add new dependents and confirm the accuracy of the dependent’s information. Failure to ensure this information is correct could result in delays to approve the request at the Area Clearance/PSD office.

Upon completion of the Overseas Suitability Screening and PCS orders that direct a service member and his/her family members to any Monitor Command Code (MCC) on Okinawa, the losing command will submit the request for an Area Clearance approval. The request must be submitted using the following Plain Language Address (PLA) to:

- CG MCB CAMP BUTLER JP G-1(UC)
- CG MCB CAMP BUTLR JP(U)
- CG MCIPAC G1 (UC)

Navy personnel assigned to a USMC command on Okinawa will submit their request for a DEA to IPAC via the PLA address described above.

**Navy personnel, not assigned to a USMC command, such as CFAO or USNH, should submit their request via DMS to: PERSUPP DET OKINAWA KADENA JA //N-1// per the current editions of NMPCINST 4650.3 (Series) and MCO P1000.6 (Series).**

Once the inbound service member receives the approved Area Clearance/DEA, he or she must, once again, verify that all family members are listed correctly. In addition, they must check that all their legal information is correct (i.e. social security number, date of birth, etc.). If the information is incorrect, the service member must request for it to be corrected before departing to Okinawa.

**Exceptional Family Member Program (EFMP)**

Upon receipt of PCS orders, transitioning service members with EFMP family members need to ensure:

- EFMP enrollment is current, including the **Individual Education Plan (IEP)**, **Individual Family Service Plan (IFSP)** and the **504 plan**. Ensure all copies of the EFM’s medical records are up-to-date and on-hand.

- If there are housing needs, make sure that all special accommodations and modifications are annotated by the treating physician on page 7 of the **Family Medical Summary Form (DD Form 2792)**. The Okinawa DoD Housing office located on the Kadena Air Base Station will NOT accept any medical Exception to Policy (ETP) without proof of current EFMP enrollment. For more information or assistance, please contact the EFMP office:

- All the required paperwork must be hand-carried for assistance dogs that help disabled individuals. Check the local pet policy to obtain additional information for a smooth transition. For more information on Japan’s pet importation regulations, please go to the MCCS Okinawa Electronic Welcome Aboard page or refer to “**Pet Information**” section of this document.
• Hand-carry a copy of the EFM’s current IEP/IFSP or 504 plan for any children receiving specialized services in school.

• Upon arrival to Okinawa, check-in with the EFMP representative during the Newcomer’s Orientation Welcome Aboard Information Fair and stop by the Okinawa EFMP Office on Camp Foster, Bldg. 495. Additional information on the Exceptional Family Member Program on Okinawa can be found by visiting the EFMP webpage at: www.mccsokinawa.com/efmp.

Pet Information

Pet Importation Process
The process to bring a pet into Japan can be very extensive (6-9 months). We recommend the pet owner start this process as early as possible by visiting a Veterinary Facility (preferably an on-base vet clinic). All of the steps in the process must be completed in order to avoid any delays.

*Please be aware that pets are not an entitlement and all costs associated with getting the pet ready for travel are at the pet owner’s expense.*

The pet process includes the following:
- Microchip
- Vaccines
- Fluorescent Antibody Virus Neutralization (FAVN) rabies blood test
- 180-day Quarantine
- Health Certificate
- Advance Notification

Provided below are a couple of websites that you can visit to obtain information about bringing your pets to Okinawa:

Flying with Pets
Air Mobility Command (AMC) flights will take pets and cages weighing up to a total of 150 lbs. Spaces, for pets, however, are limited on AMC. If traveling commercially, pets with their cage weighing over a combined of 100 lbs. may have to go cargo, which is much more expensive. The best option is to travel through AMC, however, there are only 13 pet spaces available per flight. Therefore, booking in advance is essential for getting a spot for your pet on the AMC flight.
When AMC flights are not available for travel, the Passenger Travel Office is required to book tickets through United Airlines for those flying from U.S. East Coast destinations and with Delta or American Airlines for those flying from U.S. West Coast destinations. Traveling with pets tends to be smoother through United Airlines, as they have a **partnership with All Nippon Airlines (ANA)**, which is a “pet-friendly.” Those flying American and Delta Airlines, however, are having issues as their connections in Japan (Jet Star/JAL) are not “pet-friendly” airlines. The Passenger Travel Office (PTO) is working to resolve this issue.

Whether flying through AMC or through a commercial airline, it is important for the service member to provide **advance notification of the pet’s travel and confirm the pet’s space on the all flights.**

**Service members with connecting flights in mainland Japan should give themselves enough of a layover timeframe as they will be required to collect all their baggage and pets and check-in with the domestic airline before boarding their final flight to Okinawa.**

The state.gov website (http://www.state.gov/m/fsi/tc/c10442.htm) has a lot of helpful information for those traveling commercially with their pets to include the following:

**Traveling during the Summer time? Check with the airline regarding the Heat Embargo.**
HEAT EMBARGO
During the periods of **15 May thru 30 September** most commercial airlines declare a pet heat embargo if the outside temperature reaches **over 85 degrees or more**. Short-nose breeds, or mixed breeds exhibiting short nose characteristics may not be accepted to fly by the airline during this time period. Please check with the airline to find out what restrictions/regulations they have regarding flying pets during this timeframe.

Please note that U.S. flagged airlines may not transport certain dog breeds, particularly the English bulldog or mixes of this breed at all. The Patriot Express still transports them, but space for pets is not guaranteed and is very limited throughout the year. We highly suggest that service members check with the airlines for regulations/ restrictions/policies regarding short-nosed dogs before starting the process to bring their pets to Okinawa.

Banned Dog Breeds
According to **AFI32-6001_AFGM2017-01** and **IIIMEF/MCIPACO 10570.1** certain dog breeds are prohibited in all Military Family Housing (MFH) on Okinawa. The following breeds have been identified as restricted breeds:

- Pit Bull (full or mixed breed)
- Rottweiler (full or mixed breed)
- Canid-wolf hybrid (full or mixed breed)
- Doberman Pincher (full or mixed breed)
- Chow (full or mixed breed)

**Please note that having one of these breeds is NOT justification to be granted permission to reside in off-base housing.**

Pets and Military Family Housing
All pet owners must ensure their dogs and cats are properly registered with the Base Veterinary Facility (VTF) **within three days (72 hours) of arrival**. All MFH residents will be required to complete the **Pet Registration Form prior to assignment to MFH**. **Two domestic pets per household**, defined as a cat, dog or a combination of each, are allowed in single dwelling units, duplexes, multiplex units and towers. In tower buildings, cats are allowed on all floors, however, dogs are only allowed on the first, second and third floor. Before making arrangements to bring a pet to Okinawa, you are strongly encouraged to contact the Housing Office at least 30 days prior to arrival to ensure pet friendly housing is available. Having a pet does not guarantee placement in a particular housing unit. Placement is based on availability and the member's entitlement. **The non-availability of a pet friendly home is not justification to turn down a housing offer.**

************************************PLEASE NOTE************************************
Due to the significant amount of construction currently underway in military housing, on-base housing may be limited. This may affect the service member’s ability to obtain a pet-friendly home on base. Service members are encouraged to contact Kadena Housing Office with further questions at (315) 634-0582, Commercial: 011-81-98-938 1111 (for the operator and ask to be connected to the DSN line) or via email at: kadenahousing.customerservice@us.af.mil.
Military Housing

ON-BASE CONSTRUCTION
The Department of Defense is making significant investments into military housing on Okinawa, which includes home improvements, such as heating and air conditioning, kitchen and bathroom renovations as well as window renovations. The construction project is currently underway and is expected to be completed during FY 2023. Please note that on-base housing inventory may be limited and families may be required to search for off-base housing.

OFF-BASE HOUSING SHORTAGES
Additionally, there are off-base housing shortages, particularly in “American” style housing which probably will be in effect for an undetermined timeframe. Families required to move off-base may find the selection of off-base housing they feel to be “suitable” to be limited, especially during peak relocation season (during the months of June-September). Due to these factors, service members and their families may experience longer stays in temporary lodging and be required to aggressively look for housing upon arrival.

Military Family Housing (MFH) for Accompanied Personnel

The Air Force is the DoD Executive Agent for all MFH on Okinawa. According to AFI32-6001_AFGM2017-01, all DoD personnel are mandated to live on-base, unless housing reaches the occupancy rate of 98% or more based on the service member’s pay grade/family status.

Upon arrival, service members must also report to their respective housing office within 2 business days of arriving to Okinawa to receive an in-processing housing brief, be placed on the waitlist, and receive additional information on their housing assignment. When visiting the housing office, ensure you have a completed Application for Assignment to Housing (DD Form 1746), the Sex Offender Disclosure and Acknowledgment form, a copy of your PCS Orders, approved Area Clearance/DEA, and pet registration form (if applicable) on hand.

Failure to report to the MFH Office within 2 working days of arrival may result in a loss of Temporary Lodging Allowance (III MEF/MCIPAC-MCBBO 7220.1A). This visit is necessary to receive counseling and guidance before entering into any written lease or rental/sales contract for housing.

Accompanied USMC personnel are also required to check-in with the Regional Housing Office on Camp Foster, Bldg. 361, within 5 days of arriving on island, to verify their eligibility for TLA, pick up their TLA Data Sheets and receive additional guidance on how to obtain their TLA entitlements.

Navy Personnel should contact their command/PSD to clarify how this policy affects them, especially if they are reporting to a Marine Corps command.
TLA Shortages During Peak Season

During the peak relocation season, temporary lodging at the government rate (on and off-base) is also in extreme short supply. During the past two relocation seasons (June-September) there have been periods where NO temporary lodging was available at the established government rate for inbound and outbound families.

We anticipate this will be the same for this year’s relocation season. We strongly recommend getting TLA reservations made as early as possible when traveling during peak PCS season.

The flowchart below provides a visual representation of the housing check-in process.

Mandatory Bachelor Quarters Policy
The MCIPAC-MCBB Policy Letter 12-16, signed 16 June 2016, states that bachelor and unaccompanied enlisted military service members in pay grades E-1 through E-7, Warrant Officers in pay grades WO-1 through CWO-3, and Officers in pay grades O-1 through O-3 shall be assigned to live in on-base bachelor housing/quarters.

This policy also states that Overseas Housing Allowance (OHA) will NOT be paid to an unaccompanied military service member already drawing Basic Housing Allowance (BAH) for family members back in CONUS locations. This policy applies to ALL ranks, including senior enlisted and officers on unaccompanied tours to Okinawa, who are not subject to the mandatory Bachelor Quarter Assignment Policy discussed above. For more information or to view this Policy Letter, please go to the MCCS Electronic Welcome Aboard Package at:
https://www.mccsokinawa.com/welcomeaboard/#tab4

Dual Service Members and Housing/Billeting
Before departing to Okinawa, dual service members must check with their new command and the housing office regarding policies that could affect them. These policies can vary depending on their branch of service, but the following are the most common issues:

- If both service members are on a 24-month unaccompanied tour, they do not rate family housing and will be required to live at the BOQ/BEQ. Per MCIPAC Letter 12-14, if they desire to live together, they must request authorization to reside off-base, establish a joint household and receive Overseas Housing Allowance at the Own-Rate per the Joint Travel Regulations.

- If both service members are on a 36-month accompanied tour, they will not rate TLA if they arrive at different times without a dependent. Therefore, the service member that arrives first must stay at the BOQ/BEQ and report to the housing office to receive information about starting the housing process before his/her spouse arrives.

- In addition, dual active duty service members must have accompanied orders to request government furniture.

Household Goods (HHG) Weight Restrictions

Okinawa is a weight restricted location. A list of suggestions for your express and household goods shipments is available at: www.mccsokinawa.com/welcomeaboard/ and click on the "PCS Checklist" tab.

Please note the following when preparing to ship your household goods.

- Accompanied Marines are entitled to **2,500 pounds (net) or 25% (net) of the Joint Travel Regulations (JTR) weight allowance**, whichever is greater, which also includes the Unaccompanied Baggage (UB) shipment.

- Unaccompanied Service Members are entitled to **10% of their JTR allowance or approximately 600lbs.**

- Neither the Distribution Management Office (DMO) nor the carriers are responsible for staying within this allowance. If a service member exceeds his/her allowance, the service member must be prepared to pay all charges connected with the excess weight.

- **Important Note for Navy Personnel:** Navy Personnel should check their orders for weight allowance and direct any questions to their command.

- For any exceptions regarding this policy, contact or visit your nearest DMO Office.

Effective 1 April 2016, the scheduling of all inbound and outbound household shipments to and from Okinawa will be handled through Yokosuka. DMO personnel foresee the potential for delays due to misrouting for inbound household goods if the proper (new) routing codes for Okinawa are not used when originally setting up and processing the shipments.

In addition, after 1 April 2016, the Okinawa DMO will still coordinate most DMO services locally except for the booking of inbound and outbound shipments.

For any questions or concerns, please contact MCB Butler DMO Personnel at: MCBBUTLERPPSODMO@USMC.MIL or DSN: 315-645-0922, Commercial: 011-81-98-970-0922.

Furnishings

- **Accompanied Marines and Accompanied Sailors attached to USMC units:**
  Furniture and appliances will be provided for accompanied service members for the duration of their tour. Information about the items is provided by the Furnishings Management Office and can be found at: [http://www.housing.af.mil/Units/Okinawa/furnishingsmanagement/](http://www.housing.af.mil/Units/Okinawa/furnishingsmanagement/)

- **Accompanied Sailors attached to USN units:**
  Eligible to borrow temporary government furniture for a maximum of 90 days after arriving in Okinawa. Scheduling for temporary furniture can be arranged through the Kadena Housing Office.

- **Unaccompanied Marines and Navy attached to USMC units:**
  Bachelor and unaccompanied service members should not ship their household goods to Okinawa. There is limited space at the bachelor quarters to accommodate large furniture items. If the member is provided a Certificate of Non-Availability from the billeting office (BEQ/BOQ) and given the permission to reside off-base, the member can look for off-base housing that is already furnished.

**Firearms, Weapons, & Ammunitions**

U.S. Forces Japan (USFJ) members are **NOT AUTHORIZED** to import or possess handguns, short barrel shotguns/rifles, silencers, replicas, pellet and air soft guns in Japan.

Japan has very strict laws regarding firearms, ammunition and other weapons (knives). Violations are taken very seriously by the Government of Japan (GOJ). Sporting firearms must have Commander’s pre-approval and attain all required paperwork from customs prior to purchase. **ADVANCE APPROVAL** is required from the gaining installation before shipping any **FIREARMS** into Japan. Firearms are also prohibited in Military Family Housing.

All individuals coming to Okinawa should thoroughly check their gear to ensure there is no ammunition in their luggage. If ammunition is found after entering Japan at the airport, the service member will be detained in Japanese custody for a violation of Japanese law. Once detained, the military chain of command will be notified. There are also rules and regulations in Japan pertaining to the possession of knives. The blade must be less than 2 3/8 inches. **DOCUMENTS NEEDED FOR CHECK-IN WITH CPC:**

- Copy of Dependent Entry Approval (if accompanied by family).

The above documents need to be delivered to the CPC as soon as possible. The CPC will submit the above documents to PSD via the Transaction Online Processing System (TOPS).
It is imperative the CPC gets the above documents as soon as possible to prevent any over or under payment to the member. The goal of the new command is to gain the member no later than 4 days after arrival.

Please Note: Your actual travel claim should be submitted via a separate TOPS transaction and can be completed at a later date if necessary.

TLE (Temporary Lodging Entitlement):
Receipts are a “must” to claim this reimbursement. Receipts must be itemized and carry a zero balance.

DISLOCATION ALLOWANCE
Unaccompanied members who have dependents that relocate from their residence IAW their issued PCSO may rate DLA. They must ensure that the designated location elected is a CONUS location and is written into their orders. A dependent travel claim must be submitted upon arrival to receive this entitlement.

TEMPORARY LODGING ALLOWANCE (TLA)
Sponsors are responsible for making lodging reservations at Government-approved Temporary Lodging Facilities (TLF) for the inbound family to reside while awaiting assignment to military housing. TLA is authorized to assist the service member in partially offsetting expenses incurred during the occupancy of temporary lodging. There is no entitlement to TLA while in a travel status or once permanent quarters are occupied. Personnel accompanied by dependents must be prepared to pay anywhere between $1250 to $3525 for temporary lodging and subsistence for the initial 10-day period. TLA is paid based on the number of days temporary lodging is required and will be reimbursed in 10-day increments. Personnel assigned to Okinawa will normally not be authorized more than 30 days of TLA.

TO RATE TLA:
- Service members MUST use a government a TLF (i.e., WestPac, Courtney or Hansen Lodge) unless a Certificate of Non-Availability (CNA) is obtained stating that the facility closest to their place of work is not available for occupancy.
- If the member stays at an off-base TLF and does not provide a CNA from the on-base TLF, then the member's lodging reimbursement under TLA will be limited to the government TLF rate, not the rate of the off-base TLF.
- For a family consisting of one active duty member and three dependents, the cost is currently $125.00 per day for an on-base facility and can be as much as $300.00 per day in an off-base TLF.
- Upon arrival, Navy personnel should check with their command pass coordinator for current guidelines and additional information.
PETS (Dogs & Cats) ARE NOT ALLOWED in any of the Marine Corps Temporary Lodging Facilities, so personnel may be required to make kenneling arrangements. Service members can also elect to stay in a pet-friendly room at the Shogun Inn, located on the Kadena Air Base Station. Please note that a Certificate of Non-Availability (CNA) will not be provided due to pets if rooms are available.

TLA is not payable to members who arrive with non-command sponsored dependents, members who arrive prior to their command sponsored dependents, and members married to members without dependents who arrive separately (the member that arrives first must occupy single type quarters until the other member arrives). For questions or additional information, please contact the Disbursing Office.

Camp Foster Disbursing Office  
DSN: 645-7036  
Commercial: 011-81-98-970-7036

Sponsors are responsible for making billeting arrangements for the members executing unaccompanied order to Okinawa. If billeting is not available for the service member, a Certificate of Non-Availability (CNA) must be obtained from the respective billeting office prior to the member occupying any temporary lodging facility on or off-base. Without a CNA, TLA will not be reimbursed. In addition, the CNA does not backdate. The service member’s sponsor must obtain the CNA before the service member can stay at a lodging facility off-base.

REQUESTING ADVANCE TLA
Advance payment of TLA is authorized and encouraged for personnel who may require temporary lodging. Advances can be requested upon arrival (service member must receive a reporting endorsement prior to submission). The TLA payment process normally takes between 5-7 business days and payments will be made directly to the service member’s direct deposit account. Personnel are required to pay the full amount of their final TLF bill upon checkout. Therefore, requesting advance TLA is highly encouraged if adequate funds to pay the bill are not available.

CURRENT TRENDS WITH TLA CLAIMS
IPAC is seeing an increase in service members being denied compensation for traveling costs due to noncompliance of travel instructions specified on their orders. We recommend all inbound service members to review their travel orders thoroughly and plan their leave and travel arrangements accordingly. In addition, please read the Temporary Lodging Allowance (TLA) informational brochure located at:  
https://www.mccsokinawa.com/welcomeaboard/#tab11
GOVERNMENT TRAVEL CHARGE CARD (GTCC)

GTCC can be used for Continental United States (CONUS) Temporary Living Expenses (TLE) expenses before departing CONUS, and other travel expenses. The GTCC can be used to cover temporary lodging expenses overseas.

TLA is processed differently than TLE and other travel expenses. Service members receive their TLA reimbursement via direct deposit and may not be settled in with other travel expenses through IPAC. This may cause a GTCC payment delinquency if cardholder does not pay very close attention to GTCC account. Therefore, it is the cardholder’s responsibility to ensure all charges on the GTCC account are paid in a timely manner.

The Okinawa IPAC office has maintained their current OCONUS check-in and check-out processes, as the OCONUS processes are not on the GTCC outbound module. In addition, CONUS IPAC counterparts are not using the GTCC outbound module for personnel transferring overseas/OCONUS. Okinawa IPAC has requested and is awaiting guidance from HQMC on this matter.

If issues occur with the GTCC during PSC travel (prior to check-in to the new command/duty station), the service member will need to contact their previous/former command GTCC Agency Program Coordinator (APC) for assistance.

IPAC Inbound Personnel will be present during the Newcomers’ Orientation Welcome Aboard brief to provide additional information and answer questions on the use of the GTCC and documentation needed to process travel claims. For more information, inbound members can call the IPAC office at:

Delayed Family Member Travel

Delay of Family Member Travel is intended for instances where the family members are delayed due to circumstances not controlled by the member. Delay is intended for a short duration only, usually no more than 60 days. Requests for continuing to receive a housing allowance other than the PDS will normally be disapproved for the following circumstances:

- Continuing spouse's education
- Financial burden of relocating dependents including selling a dwelling
- On-Base Housing waiting list at new PDS
- Family Member employment and/or daily commute time
- Conserving Permanent Change of Station (PCS) funds by not relocating family members
- Issues with flight arrangements for pet travel

Have to delay your dependents? Ensure you have the necessary approval letter.
MMIB-3 (formally MMIA) recommends members delaying their family member travel review MARADMIN 238/06, Pay and Allowance Advisory Notice (PAAN) 27-06 and Reserve Pay and Allowance Advisory Notice (RPAAN) 25-06 for further guidance.

USMC service members who must delay their family member travel MUST have approval from HQMC to continue drawing their stateside allowances. Upon reporting, if this approval was not previously obtained, their stateside allowances will be stopped until the HQMC approval letter is received. In addition, accompanied USMC service members who delay their family member travel DO NOT rate Temporary Lodging Allowance (TLA) to stay at a hotel/lodging facility. They are required to check-in and stay at an Unaccompanied Billeting Facility.

Service members can request military family housing within 30 days of their family members arriving on Okinawa. For additional information please contact:

Arrival/Check-In Information

Unaccompanied Service Members PCSing to Okinawa
Marines and Sailors reporting to Marine Corps commands: MCIPAC/III MEF (MCB, 1st MAW, 3RD MLG, and 3rd MAR DIV)

This applies to all USMC and USN E-5 and below (unaccompanied) assigned to USMC units on Okinawa.

There are two major airports/terminals in which military service members and their families will arrive through, Naha Airport and the AMC Terminal on the Kadena Air Base Station.

Unaccompanied Marines and Sailors E-6 and above personnel are not impacted by this information.
NAHA AIRPORT
- When unaccompanied service members (E-5 and below) assigned to USMC units arrive at the Naha Domestic Airport, they should look for a Marine in uniform with a brassard saying Joint Reception Center (JRC) and holding a JRC sign. The representative will take all the unaccompanied service members to a bus that will transport them to the JRC barracks on Camp Foster. If there is no JRC representative at the airport, the inbound service member should look for a red and blue Marine Corps sign with the JRC contact information and call the JRC Duty Driver phone number for bus pick up. These signs posted on the marble pillars after exiting the baggage claim area. A courtesy military phone is available behind the Information Desk as well.

- If they need to contact the JRC Driver, the duty number is 090-6861-4727. Once contacted, the driver will go and pick them. To contact the Barracks Duty call 098-970-5170.

KADENA AIR FORCE BASE/AMC TERMINAL
- The Patriot Express typically arrives every Friday night to the Kadena Air Base by way of the Seattle-Tacoma International airport. When unaccompanied Marines/Sailors assigned to USMC units arrive at the Kadena AMC Terminal; they need to remain in the seating area after exiting the aircraft. A USMC JRC or PMO representative will be waiting for their arrival. The JRC/PMO representative will provide a quick brief and assist the newly arrived service members through customs, before boarding the buses waiting to take them to the Camp Foster barracks to start the week-long processing period.

Sailors: Reporting to 3rd Dental Battalion/ Naval Dental Clinic:
- Service members reporting to 3rd Dental Battalion should board the JRC bus upon arrival to either the Naha Airport or the Kadena Air Force Base/AMC Terminal as well. Upon completion of the JRC in-processing period, the Sailors will be released to 3rd Dental Battalion.

Sailors (E-5 and below) reporting to the U.S. Naval Hospital, Okinawa

- Should NOT take the JRC bus or go to the JRC Barracks. The U.S. Naval Hospital (USNH), Okinawa has a command in-processing/indoctrination program that is separate from JRC. Incoming USNH Sailors will be picked up by their sponsor or a USNH command representative at their arrival points and then be taken to the USNH barracks. It is strongly suggested that incoming USNH Sailors contact their command and coordinate their arrival with their sponsor prior to their arrival on Okinawa.

Sailors (E-5 and below) reporting to Commander Fleet Activities Okinawa

- As with USNH, CFAO Sailors should NOT take the JRC bus or go to the JRC barracks. CFAO Sailors are picked up either by a command representative or their sponsors. Like USNH, CFAO has a command in-processing/indoctrination program that is separate from JRC. Defense Biometric Identification System (DBIDS)

Kadena Air Base (KAB), 18th Wing, implemented DBIDS for entry onto Kadena Air Base (KAB) during October 2013. Personnel entering KAB will have their identification cards scanned at the installation entry control points prior to being allowed entry. Everyone (active duty, civilian, family members) is allowed a grace period, but after the short grace period, they will be denied entry to KAB until they have completed their DBIDS registration. For KAB access, you will be REQUIRED to register your identification card (this includes all family members holding an ID Card) at the Visitor Control Center (Bldg. 31) located at Kadena Gate 1. Japanese Cell Phone Contracts
Cellular phone companies in Japan have an AUTOMATIC two (2) year renewal contract, which means the existing or current two year contract, will automatically be renewed on its expiration date, unless otherwise communicated with the cell phone provider. Most of Japanese Cell Phone companies DO NOT have a “Military Clause,” which cancels contract/penalties due to military orders/deployment. The service member might end up paying a very costly penalty for canceling his/her contract before the 2-year contract is complete. Also, service members leaving after a normal three year tour might be subjected to costly cancellation and penalty fees. Please talk with to your cell phone provider on Okinawa to find out if the company has other options such as monthly and pre-paid agreements. Service members must also ensure they completely cancel their contacts before leaving Okinawa. Again, as with any contract, all service members should thoroughly read and fully understand their contracts before signing them.

Child Supervision Guidelines
The III MEF/MCIPACO 5800.1 w/ CH 1 mandates very specific child supervision guidelines that apply to all Status of Forces Agreement (SOFA) personnel both on/off the installations on Okinawa. While these guidelines are similar to all installations, they are very strictly enforced.

The Below Matrix Applies to All SOFA Status Personnel On/Off Installations

Once the service member has checked-in, family members can check-in to their respective dental clinic with a copy of the service member’s orders and approved Area Clearance or DEA. Where the family member is seen for dental care is dependent upon where the service member works.

For example:
If the service member works at Camp Hansen or Schwab, the family member may be seen at the Camp Courtney Dental Clinic.

If the service member works at Futenma, the family may be seen at the Evans Dental Clinic on Camp Foster.

The TRICARE Dental Program is administered by United Concordia. Family Members enrolled in the TRICARE Dental Program are encouraged to maintain their dental coverage while in an overseas location.
