## LEJEUNE LEADERSHIP INSTITUTE

The Lejeune Leadership Institute (LLI) develops leadership training, education, and policies in order to facilitate the development of ethical leaders firmly rooted in Marine Corps heritage of selfless service, core values, and warfighting excellence. To achieve this, the LLI proposes new ideas and provides training and education in the areas of leadership, ethics, and military law within Marine Corps University and throughout the total force. The LLI also facilitates leadership training and education for both uniformed and civilian leaders.

### Marine Leadership Development Program

Marine Leader Development (MLD) is a comprehensive approach to leadership development that seeks to foster the development of all aspects of Marines' personal and professional lives.

### Executive Education Program

The Commandant of the Marine Corps established the Senior Leader Development Program (SLDP) in 2004 in order to provide structure to the professional growth and assignment strategy of General Officers and Senior Executive Service personnel.

### Ethics Training & Education

The LLI Ethics Branch advances the study and practice of ethical decision-making and leadership instruction throughout the Marine Corps while providing focused instruction to Marine Corps University resident colleges and organizational units.

### Civilian Leader Development Program

The four-tier approach provides the Marine Corps with a comprehensive program that maximizes its investment in the total civilian workforce.

### Commandant's Professional Reading List

A list of books, podcasts, and periodicals selected by the Commandant of the Marine Corps to foster professional development, critical thinking, and lifelong learning among Marines.

### CMC Combined Commandership Course

A two-week resident program involving combined education opportunities for board-selected commanding officers, command equivalents, and CSEL.

### About Lejeune Leadership Institute

The Lejeune Leadership Institute develops leadership training, education, and policies in order to facilitate the development of ethical leaders firmly rooted in Marine Corps heritage of selfless service, core values, and warfighting excellence.

### Biography of Gen John A. Lejeune

### Case Studies

Provide unit leaders with information on how to lead small group case studies.

## LEADERSHIP, COMMUNICATION SKILLS, PERSONAL & PROFESSIONAL DEVELOPMENT

### 4 Lenses for Leaders

This hilarious, interactive workshop identifies which "lens" you use to look at our world. More importantly, you'll learn how others see the exact same world.

This work session will discuss and apply Agile leader concepts and apply 4 Lenses to leading, communicating, and negotiating as an agile leader and leading projects using SCRUM concepts.

**(808) 496-2657**

### Bridging the Generation Gap

Understanding how various generations communicate and behave can be the key to success in reaching a common goal. Bridging the Generation Gap shows participants the unique characteristics of the many generations that exist today, providing a foundation to enable improved communication across generations through increased knowledge of generational characteristics, influences, and priorities.
